Grab your crayons, markers, colored pencils, or paint.

It's time to let your imagination take over!

Is your monster messy, dramatic, or shy? Do they have noodle hair, sparkly scales, ten tiny toes, or one giant eyeball? Maybe they love to smile, maybe they have horns, or maybe they have a mischievous grin that makes everyone laugh.

You decide! Create a brand-new friend to join our Monster Hunt family. Make them silly, spooky, sweet, or totally unexpected — there's no wrong way to design a monster.

Let your creativity run wild… Your monster could be the next official Monster Hunt character!
